TOURNAMENT RULES

STATEMENT OF PURPOSE - Our Fishing Rules have evolved internationally so that, in their observance every fish should have a sporting chance. Captures in which the fish has not fought, or in which the fish has not had the chance to fight, on the gaff rope or at the boat, are not caught within the intent of our rules and do not reflect credit on the fish or the angler. Only fish caught within the Whangarei Deep Sea Anglers' Club & NZSFC Angling Rules, incorporating the IGFA Equipment and Angling Regulations, and within the intent of these rules will be recognised. We, as the Committee of the Whangarei Deep Sea Anglers' Club, reserve the right to call a witness boat to verify a catch.

A team may be comprised of any number of female anglers with a minimum of two people on board a boat. If visiting anglers are not able to produce current membership cards, their membership will be checked through the secretary of their club. This section must be comprised of a single, homogenous piece of line."

In other words, the first five metres of main line determines the line class used. Any type of line, including those known collectively as "braids" may be used as backing, whether attached to the main line or simply used as padding under the main line. The minimum amount of line class top-shot is five metres but there is no maximum amount of top-shot that may be used
