Ladies and gentlemen, welcome to the 77th AGM of the Whangarei Deep Sea Anglers club. For the second consecutive year, due to the unwelcome effects of Covid 19, not all our members are able to be with us for our AGM. Lucky as many of us are to live in this beautiful part of the country, the fact that all transport moves to the north through Auckland means that we are effectively living in a cul-de-sac, subject to circumstances out of our control. All we can do is hope that some form of normality will return before the rapidly approaching summer season.

Despite Covid and its unwelcome effect on our business, the club has had a successful year financially. The bistro has continued to attract favorable comment from visitors and members and has contributed handsomely to our income. The bar has also been profitable. We have also maintained our membership numbers, which is pleasing. I want to give a big thank you to all of our staff. They have all risen magnificently to the challenges posed by operating under the restrictive pandemic regulations.

This year we had two major changes in the staff. Firstly, Sue Ellis, who had been our office manager for many years, moved on and was succeeded by Samantha McBeth. Those of you who have interacted with Samantha have universally been impressed with her professional manner and her new-broom approach to the job.

Later in the year our long-standing Bar Manager, Tru Nicholson also retired. Jared Wellington and Brenda Morgans have made a seamless transition into the bar operation.

### **Sponsors**

A huge thankyou to all of our sponsors. The Sponsors Evening and auction of the grid map plus other signage around the club was a great success. Welcome to the new sponsors and thanks to all of you who have supported us through thick and thin. In this regard, some of the challenges faced by the Committee this year included the fact that air travel remains a dream for most of us, meaning our traditional contest prizes comprising travel to Vanuatu are no longer available.

# PRESIDENT'S REPORT

2020 - 2021

Our major fishing gear sponsor, Shimano, has had extreme difficulty in securing the equipment we normally offer as prizes in our contests. We have had to be creative in our prize offerings and continue to re-evaluate this going forward.

## **Fishing**

What's that, I hear you ask. Well, though the fishing was not especially good this year, it was certainly better than last year. Once again it started out well with very patchy fishing in the main season, then a good run in the late season. Unless that is you were able to fish the west coast, where the fishing was phenomenal, and the easterly winds were often favorable.

## **Repairs and maintenance**

Last year I talked about the need to renovate the outside deck. The deck project is well in hand, thanks to very generous sponsorship from ITM and a series of working bees. A renovation of the bar is a potentially very

expensive business, and the Committee has not yet settled on what can or should be done. We have commissioned an engineering report on structural issues associated with the bar renovation and the new committee will be charged with progressing this project when an economically feasible option is identified.

I personally want to thank the Committee for their efforts this year. To our retiring members; John Robbins, Donna Maine, Dylan Christie and Brenda Saul; well done on your hard work on behalf of the Club. There are also a lot of members who continue to contribute in all sorts of ways. Working bees, erecting, and taking down the big tent, delivering firewood and assisting with club events and contests are all tasks that are largely accomplished through volunteer workers. Thank you all. Finally, I would like to congratulate our Patron Stuart Smith on his recent 93rd birthday.

# ARTHURS EMPORIUM TUTUKAKA JUNIOR TOURNAMENT

What a great start to the 2021 Whangarei Deep Sea Anglers Club's tournament season!!

Many Junior and Small Fry anglers joined the Arthurs Emporium Tutukaka Junior Tournament on the 9th & 10th January. Our very generous sponsors Arthurs Emporium once again provided great incentives for the kids to get out there and have fun, with two Mountain Bikes, two iPhone 12's and a 32" Samsung Smart HD TV up for grabs!!!

What a successful weekend it was – with a great overall tally of 2 tagged Yellowtail Kingfish, 6 tagged Sharks (Including 1 Blue, 1 Bronze whaler, 1 Hammerhead and 3 Mako Shark), 5 landed Snapper, 1 landed Hammerhead Shark, 1 landed Yellowfin Tuna, 2 tagged Striped Marlin, and 1 Landed Striped Marlin. Not to mention the “drops” and the fish that unfortunately did not qualify for the tournament.

Third in the Angler Most Point Gameshark section was a tie between Lola Chamberlain, Cooper Bradley and Kaci Pulham all with 30 points. They each walked away with \$50 cash courtesy of The Rinkin Family!

It was a tie for the Smallfry Most Points Shark section between Kaci Pulham and Cooper Bradley so it was decided by way of lucky draw Cooper Bradley was the lucky one to ride away on a Mountain Bike kindly sponsored by Arthurs Emporium.

In the Junior section, second place was awarded to Taine Donaldson on Bwana II with 60 points and taking out first place in this section was Junior angler Finn Carter on Bwana II with 156 points for his 1 tagged Mako and 1 landed Hammerhead Shark. Finn won The Rinkin Family Cup for Most Points Sharks and took out the category for Junior Angler Most Points Shark section and very gladly stepped up to receive his new iPhone 12, kindly donated by Arthurs Emporium!

In the Yellowtail section first place went to Leila Hemingway on 21.04 points with a landed Kingfish weighing 11.04kg and one tagged Yellowtail for the tournament. The Snapper category saw Sienna Learmond fishing on Lead Em On takeout first place for the second consecutive year with a lovely 4kg fish! Also, a special mention to Alexis and Kaci Pulham who both caught a couple of decent snappers each day.

The Tuna section saw Hope Henderson fishing on Mac II taking first place with a 20kg Yellowfin. Hope's fish earned some awesome prizes including a hair dryer!

The Heaviest Marlin section this year only saw 1 Striped Marlin go weight with Smallfry Hunter Yearbury fishing on Vitalis landing an 87.2kg Stripey. Also, special mention to Dylan Drysdale fishing on Our Turn who landed his first ever Marlin but unfortunately did not qualify for the tournament, and to Sam Greensmith who also landed one that did not go weight.

The tag and release Marlin section was won equally by Junior Angler Layne Collinson and Smallfry Angler Lily Loveridge, each tagging a Striped Marlin. These lucky anglers were pulled out of a hat to see who won 1st prize and 2nd. Drum roll. Lily Loveridge was the lucky one!! Lily's fish earned her 90 points to ride away with a Mountain Bike for the Small Fry Angler with the Most Points Marlin so kindly donated by Arthurs Emporium!! Lily was also deservedly awarded the Barbara & Fred Cotterill Trophy for the Most Meritorious Catch of the Tournament. Congratulations to Lily on an amazing catch!!! But Layne Collinson also took out Junior Most Points Marlin on 90 points with her tagged Stripey, receiving an iPhone 12 sponsored by Arthurs Emporium!

Once again, this year, we had two very special Fishing Rods kindly donated by Offshore Custom Sportfishing Rods by Rodworks NZ and were both awarded by way of a lucky draw and both recipients were very happy to step up and receive their amazing Rod – many thanks to Graham and Dianne Case

from Offshore Rods. The 32" Smart

TV this year was up for grabs for the best 'Balloon Animal' challenge, which was awarded to a very happy Riley Gibson for his awesome creation!

It was also Spot prizes all round making sure that every angler went home with a little something for their efforts, thanks to all our very generous Sponsors - Electronic Navigation Ltd and Furuno,

Foreign Exchange, Offshore Rods, Salt Water Connection, The Goodman Family and The Rinkin Family. And as always it has to be a very Special thanks to our very Special Sponsors Toby & Arthur Brasting from Arthurs Emporium!!

# NZ LUXURY MARINE SERVICES

This year we had an awesome turnout with 57 teams and 157 anglers join us for two fun filled days on the 6th and 7th February for the NZ Luxury Marine Services Nautigals Tournament!

Saturday night was Fancy/Best Dressed night with “Westwind” taking out best dressed in their “Emirates Team NZ” outfit. On Sunday Night, “Idle Time” won the Creative Challenge with their “Jellyfish” themed balloon sculpture. Both teams won a \$200 Quay/No 8 voucher and also prizes were given out for 2nd and 3rd, and all teams who participated received a nice bottle of wine! We were also very grateful to have “Kurfew” entertain the night away for the ladies!

The Gals achieved an overall fish tally of 4 landed Yellowfin Tuna and 3 tagged Striped Marlin.

Day One saw the ladies head out nice and early and resulted in 2 tagged Marlin being caught early on – one to Karen Paterson on “Serafina” and one to Katelyn Dowling on “Marlure”. This was then followed in the afternoon by Natasha Gleeson landing a Yellowfin Tuna going 19.40kg on “Escapade”. Sadly, the team on Idle Time tagged a Striped Marlin however could not qualify for the tournament.

First on the board for Day Two was Elle Hacker with an 18.80kg Yellowfin Tuna on “Detention” followed by another one on “Westwind” to Sarah Budgen weighing in

at 15.80kg. Nicole Burgess on “Marlure” tagged herself a Striped Marlin est 90kg. Samantha Ras on “Mac II” then followed with a Yellowfin Tuna weighing 21.40kg.

But the biggest smiles were on the faces of the team on “Marlure”, Vicki Christie, Nicole Burgess and Katelyn Dowling and skipper Paul Christie, who tagged and released two Stripeys to gain overall, most points Billfish and walk away with the top prize - A trip for four to Queenstown, return flights ex-Auckland, Luxury SUV rental vehicle for 2 days, 2 night’s Queenstown Airport Luxury Apartment Accommodation, Te Kano Estate Vineyard tour with the estate manager & cellar door wine tasting accompanied with platter and a Master Cabin upgrade on their vessel worth \$1500 – all courtesy of our sponsor NZ Luxury Marine Services! But not to forget the Skipper, who received a \$500 HCB Technologies Voucher!

There were some great lucky draws at the Prize Giving night from all the sections not won!! And some wicked lucky angler draws and VHF radio draws which created some laughs and humour.

Well done to everyone who participated in the Nautigals and battled it out over the two days and congratulations to all our winners!!

A huge thank you to all our sponsors, but to Penny Thorne from NZ Luxury Marine Services – we feel very grateful to have you on board!

TUTUKAKA  
ONEBASE  
TOURNAMENT

The 36 Degrees Brokers Tutukaka One Base Tournament in conjunction with Furuno finally got underway on Wednesday 24th March, after a week's postponement due to weather. Even though the weather did improve, the fish proved a bit elusive to the boats in the competition!

Unfortunately, there wasn't much to report on the overall tally for the tournament, with 1 tagged Striped Marlin and 2 landed Yellowtail Kingfish. and that was it!

A few boats chose to Stayaway on Thursday night for an early run the following morning. Steve Martinovich fishing on "Sumo" took out the Yellowtail prize with a nice 8.92kg Yellowtail and received the Tautuku Trophy for winning the Yellowtail section.

In the Tag & Release Billfish section first prize went to Nicole Burgess on "Marlure" for a Striped Marlin est 100kg. This fish gave Nicole \$2000 courtesy of 36 Degrees Brokers! Congratulations!

The second place in Overall Most Points Billfish went to a lucky draw, with Jayden Beck fishing on Enigma taking home a 1 night stay with Dinner, Bed & Breakfast for 4 at Kingsgate Hotel and Resort in Paihia, \$100 Room Credit, and an adventure including brewery tasting, bush action, archery, wine

tasting & tavern lunch courtesy of Apparel Masters!

The team on Marlure took home many trophies for their 1 tagged Stripey which included – Jill Going Memorial Trophy for angler most points overall, McCoy & Thomas Trophy for winning team in marlin section, Engraving Systems Trophy for most tagged Marlin and the Bryan Bell Memorial Trophy for skipper with the most marlin points – weighed and tagged!!

First prize and the coveted prize for "Overall Most Points Billfish" went to the "Marlure" team with one tagged Striped Marlin. Hearty congratulations to Skipper Dylan Christie and the team, Nicole Burgess, Sean Armstrong and Cameron Duckmanton who received a \$2,500 Travel Voucher and \$2,000 spending money courtesy of WDSAC and 36 Degrees Brokers!

With lucky draws for anglers and skipper including draws of all the sections not won, quite a few people went home with big smiles! A massive thank you to all our generous sponsors and especially to 36 Degrees Brokers, Furuno, Apparel Masters and HCB Technologies – your support is greatly appreciated.

# BONZE INTERNATIONAL MARLIN SKINS

WDSAC was very fortunate to host the Bonze International Marlin Skins Tournament for 2021. This tournament is run by internationally renowned Bonze Lures.

13 teams entered and unfortunately not many fish were seen! One Blue Marlin was caught by the team on Geminis Five, going 154.6kg on 37kg line. There was a tag & release Striped Marlin to Hayden Cram, est 80kg on 37kg line.

A great evening was had by all on the final night with team participation for some truly amazing prizes up for grabs.

So, it was the team on Geminis Five walking away with a load of cash!

What an amazing tournament this is with some truly amazing prizes up for grabs. The Bonze pop-up shop with specialty lures and clothing is impressive was also on display

Thanks go out to Bonze and his team!

# WARREN HAY MARINE/SHIMANO TUTUKAKA SMALL BOATS TOURNAMENT IN CONJUNCTION WITH FURUNO

The Warren Hay Marine & Shimano Tutukaka Small Boats Tournament in conjunction with Furuno got underway on Saturday the 17th of April after a few postponements!

While the weather was a bit blowy on the first day, the boats managed to get some impressive fish. Day two produced some beautiful weather and the big fish! The overall fish tally for the tournament was 5 Striped Marlin including 1 tagged & released, 1 Broadbill, 2 Snapper and 4 Yellowtail Kingfish.

Despite the first days weather forecast 40 boats joined the tournament and headed out on Day One. It was Josh Armstrong fishing on "Reel Nauti" who was first on the board with a 9.38kg Snapper, closely followed by another, that went 8kg. Day One also saw some wicked Kingfish caught to the teams on boats "Myth Buster" and "Phat Tinny". Nicola Wright fishing on "Myth Buster" took out 1st Place Yellowtail with hers weighing in at 25.22kg!

Day Two dawned bright & clear and most boats headed out wide. First on the board was Mark Cathcart on "Matatoa" with a landed Striped Marlin, and then Zak Cameron on "Rapahoe" tagged a Striped Marlin est 85kg. The afternoon saw another 2 landed Striped Marlin to Cliff Metcalfe and Deighton Miller.

However, the most impressive fish for the day was caught by junior angler Jessie

Lawrie with after a 3 hour fight, she landed a 247kg Broadbill Swordfish on 37kg line. This fish is a pending NZ Junior record and Club Women's and Junior Record. Well done, Jessie!

The biggest smiles of all belonged to the team on "MAK" - Mark McCullough, Cliff Metcalfe & Stuart Parker - whose team won the Overall Most Points Marlin on 123.6 points. They received a \$2,500 Travel Voucher and \$2,000 spending money courtesy of the WDSAC!

Thank you to all of you who entered the tournament and battled it out over the two days and a huge Thank You to all of our sponsors, especially to Warren Hay Marine, Shimano, Furuno and HCB Technologies!

# WDSAC JUNIOR TEAM

As is tradition since Bayley Taylor- Mackie and Dylan Mason did it, Cohen Douglas and Finn Marsland jumped off the wharf when they got up there. Remembering folks that this is the start of June.

Although the Junior Team placed second in the Junior section of the tournament again this year, it was another successful year, with three of the Team members fishing for Kingfish on light tackle for the first time.

St Moritz who took the Russell School Junior Team were very hard to beat this year and deservedly won the section.

Our Team certainly did their best to catch them and there were some very good Kingfish caught, particularly by Maddi (Maddison) Yearbury and Cohen Douglas, who both caught meritorious Kingfish. Cohen got heaviest Kingfish by a Junior boy and heaviest Kingfish overall caught by a Junior – 18.45kg on 6kg line. Maddi got heaviest Kingfish caught by a female Junior – 15.8kg on 6kg line. Finn Marsland also caught a beauty of a fish that on most occasions, you would be over the moon to catch. It was a 11.85Kg Snapper on 6kg line, and he did beat his Mum's Snapper record though.

It was good to have the extra help of Julie Sands who made sure the Team were well fed and watered, and taught them a couple of card games that were played nearly every night. Julie also fed the Malure Team breakfast on a lay day. So, a huge thank you to you Julie.

Cordell Armstrong donated his boat, Escapade and his time for the Team this year. He also donated the diesel, which was awesome, so another huge thank you goes to Cordell and the Fishing Masters, Sam Yendell, Josh Armstrong and Matt Gentry. All of whom took time off work to lend

their expertise to the Junior Team. Also of note, is all 3 Fishing Masters have fished this Tournament themselves as Juniors, so it's good to see them now helping the Juniors that are coming through.

Another huge thank you needs to go to Craig Smith who once again, donated one of his prized Wagyu beasts to raffle off. This raffle has been well supported by club members, supporters, family and friends and goes a very, very long way to raise the funds for the Junior Team to be able participate in this Tournament. Therefore, to Craig, we are extremely lucky to have your unwavering support.

# WDSAC JUNIOR TEAM

continued...

It was a bit of a different Tournament without our Aussie counterparts there. Some people would say it was a lot quieter, with quite a few less hangovers some of the fishing teams might have experienced otherwise.

There was also a pool tournament with our Team and the Whakatane Junior Team. I could not possibly say who won or lost the tournament, but what I can say is Finn Marsland can tell you how cold the water is when you jump off the Russell wharf in June.

Team Malure didn't do as well this year as they have in previous years, but they were still there trying. Team Conchita had to change boats because of an issue with Conchita, but they attended and caught

quite a few Kingfish as they generally do. Team Lady Jess, well, they were there, and Harry Lowther did his best, but the fishing just didn't seem to go their way at all this year.

So overall, a lot of learning done in the skill and patience required to catch a Kingfish on 6kg line. It's a great Tournament and many enduring friendships have been made.

Cordell has very kindly offered the use of Escapade again for the 2022 Tournament and we have very happily accepted. Lastly, a big thank you to the Junior sub-committee members; Craig Smith, Gael Douglas, Pete Saul, Sam Yendell, Harry Lowther and Dylan Christie for giving your time and expertise.

## WYNNE GOING 16/4/1930 - 11/1/2022

Wynne was born and raised at Matarau, west of Kamo. He bought the family farm and a neighbouring property and farmed beef and sheep. With his wife Lois, he simultaneously ran a very successful hay contracting business and raised 3 children. As if life wasn't busy enough at that time he also purchased the Tutukaka guest-house with brother Hugh. Together they developed it into a thriving hotel expanding to 15 rooms, private, public and garden bars.

Wynne & Lois moved to Tutukaka in 1975 to semi-retirement, game fishing and travel. Their property included an old slipway which Wynne resurrected to provide local slipway facilities for the boating public. He was always passionate about Tutukaka and believed in its potential for tourism, fishing and boating in general. He campaigned strongly to get the road sealed over the hill from

Ngunguru. He & Lois traveled widely overseas. He was inspired by the many marinas he saw on these trips and became convinced it would be great to have such facilities at Tutukaka. He was elected as a member of the Northland Harbour Board and worked hard during this time to make his vision a reality. He was very proud to be involved in the original development and subsequent expansion of the Marina facilities.

He loved adventure and challenges. His greatest passion was game-fishing and boating with a long association with the WDSAC. He fished in Fiji, Cairns, Noumea, Hawaii & Solomon islands. In his own boats Anakiwa, Tukurangi and GPS he fished all over the Northland coast including regular trips to the Three Kings and Middlesex banks. Adventure called some more and he took Tukurangi to the Pacific; Tonga & Fiji & Vanuatu.

In GPS he returned to Tonga several times for the winter months. The most exciting fishing expeditions however were the 4 trips to the Wanganella banks which he described as “the greatest place on earth”. The best part of all his fishing & boating exploits were the incredible variety of people he got to share them with along the way. Young and Old and every age in between. He loved passing on his knowledge to any keen fishos and was himself keen to learn and experiment. Crazy stuff such as 20lb line for huge blacks in Cairns in the 1970’s, hundreds of marlin catches and releases with a variety of line class and techniques then full circle to light line challenges, even catching a marlin on 10kg (20lb) line on his 88th birthday.

Go well Wynne and wherever you are - May the marlin be biting!!!!

## THE OLD MAN OF THE SEA TROPHY

### Richard Newcombe - Striped Marlin 182.6kg on 10kg line (World Record)

With the Arrival of Matador into NZ in late 2021 the goal was set to try and chase the allusive Striped Marlin 10kg record of 164.2Kg held since 1994 by Kirk Stoneman and captain Bruce Smith.

We started fishing in Jan 2022 and experienced some great fishing off the top of NZ between North Cape and the Middlesex Bank. Thus, resulted in several captures on 10kg line up to 130kg although all well short of the target.

As the season progressed there was a notable patch of fish holding 25nm off the Cape.

We departed Opuia on the evening of the 10th with a favourable forecast and travelled through the night arriving in the area we intended to fish on the morning of the 11th. The fishing was slow in comparison to the reports earlier in the week. Although the bait was still present and huge Blue Koheru schools were visible on the surface. The day resulted in a couple of missed opportunities and two nice Striped marlin released one being Mikes first billfish.

Morning of the 12th resulted in an early morning release of a Striped marlin and live baits were deployed on 10kg in the hope of a XL stripy. At 11.30am the short bait was bit, the fish went crazy and what followed was a hectic first few minutes, at 67ft and 50T plus Matador is not your typical "light tackle boat". Richard did a great job at managing these crucial few minutes to not crack it off as we were after it in hot pursuit trying for an early shot. It was soon apparent that this was likely the one we were after. Although we came close, I couldn't close the gap enough to have an early shot at the 15ft leader.

Following this the fish went deep and utilized the strong current pushing East to its advantage. This fish was incredibly stubborn and difficult to get reactions out of.

Although Richard remained composed, and patience was prevailing. As evening approached, we had the leader come within inches although still out of reach. It still had a lot of go and would consistently do 200m + runs jumping and then return to the depths. As the sun began to set, we were now 21nm East from where we originally hooked up. At 8.50pm now and in the dark the fish gave us an opportunity to close the gap, Sam Yendell grabbing the leader and Gaffs secured by James and Matt. Excitement and relief filled the cockpit as we dragged the fish onboard.

We headed for Whangaroa which was approximately 90nm away, Annette from Far north radio kindly organised for the fish to be weighed in the early hours of the morning.

The stripy pulled the scales down to 182.6kg, cracking the 400lb mark and a true fish of a lifetime. The pending world record application was made and officially confirmed by IGFA as the world record for 10kg line class in early July 2022.

Richard fought the fish for just over 9 hours, this is an amazing effort as an angler giving the circumstance, challenges with light tackle and in stand-up.

# IGFA TOMMY GIFFORD AWARD RECIPIENT

## John Going

This is in recognition of his significant contribution to recreation angling as a Captain, Guide or crew.

A longstanding member of the New Zealand sport fishing community, John Going first became associated with sport fishing when his family bought the Tutukaka Guest House in Tutukaka, Northland, New Zealand in 1953. Not long after, he caught his first marlin aboard his family's boat the Stephanie, which was the catalyst that led Going to relentlessly pursue marlin in the waters off New Zealand and help bring the marlin fishery to life through his innovative techniques and the incredible results they produced. In 1997 John was recognized for his services to sportfishing, rescues at sea and for service on the Poor Knights Reserve Committee, and was awarded a New Zealand Order of Merit in the Queen's honors list. John is also credited with helping to discover and develop the Tonga fishery for marlin, after making several exploratory trips during the off-season in New Zealand. Forty-six years after entering the industry, John is still chartering and is also running a 48' Riviera for his brother Wynne. Over the years John has trained many deckhands who have gone on to become top sportfishing and super yacht skippers. This "training" continues with his willingness to share his extensive knowledge and experience of game fishing and anything and everything to do with the sea.

### **The following is from our Patron Pete Saul**

I was lucky enough to travel from New Zealand to Tonga with John on three occasions. The first was on Kitty Vane - a 1950's era traditional wooden 42 foot displacement launch - and the later two trips on Delray - a newer semi-displacement launch of similar size.

Travelling from our home in Tutukaka to Vava'u in northern Tonga is a challenging voyage, consisting of 1,100 miles of completely open ocean to port

and customs clearance in Nukua'lofa, followed by another 200 miles of more sheltered boating to the top of the Tongan islands.

The captain and crew must be fully self-reliant. There is nobody to call for immediate help in the event of an emergency. At a fuel-saving 7 to 7.5 knots, the trip takes a minimum of 6 days and nights. When conditions allow, a diversion off course to visit the Minerva Reefs is a magnificent experience. On each trip, we needed to lash drums of diesel fuel in the cockpit because the built-in tanks were not large enough to hold enough for the whole trip. All windows were protected with Perspex in case of severe weather, and the cockpit of Kitty Vane was completely closed in with a PVC cover over a wooden framework for the same reason. You can expect big following seas on the trip north.

Once committing to the voyage there is no turning back, nor anywhere to run for shelter, with the exception of the two small Minerva Reefs two-thirds of the way there, but well off the direct course. These reefs are fully submerged at high tide, but even so do provide relief from heavy seas.

Travelling is seasonal, and due to the cyclone (hurricane) season the boat must return to New Zealand each year. Travel north is in June, and the return is by October. The return trip is more challenging, as in the southern Spring there is a high probability of encountering strong southwesterlies on the last few hundred miles back to New Zealand.

John is a consummate navigator and seaman and, like all his family, can make or repair almost anything that breaks on board. I never felt anything but safe on our voyages to Tonga, or on the fishing trips we made while there. This recognition by IGFA is well earned.

# Statement of Service Performance

## Whangarei Deep Sea Anglers Club Inc For the year ended 30 June 2022

'What did we do?', 'When did we do it?'

Description of our Outcomes	Description and Quantification of our Outputs
1) Continue to promote the WDSAC Inc facilities to our wider community.	In view of Covid 19 restrictions, during lockdowns and under the Traffic Light settings, from August 2021 to beginning April 2022, the committee and Management have continued to promote our facilities to the wider community as appropriate. Club facilities and events promoted via newsletters, Facebook, Instagram and the Community Noticeboard.
2) Membership and Sponsorship engagement and relevancy	Members and Sponsors were kept engaged by communication via newsletters, emails and regular updates on social media and the WDSAC website. They were invited to participate in working bees and social events at the clubrooms. This was a particular trying year with Marina and Boat ramp facilities being damaged by the January Tsunami affecting the Club and Tutukaka as a whole.
3) Complete essential maintenance and upgrading of the Club facilities.	Major refurbishments of the weigh station and main deck have been completed. The upstairs conference room has been redecorated. Fish mounts have been relocated from upstairs to the western lounge so they are more visible to members, visitors and guests. The display cabinet for trophies has been replaced and moved to the eastern entrance.
4) Sportfishing Council	The Club has maintained its membership of the Sport Fishing Council through its regular participation in Zone One (Northland) and by having its delegates attend meetings of the NZSFC.
5) Future Focus	To continue to engage our member and sponsors, to continue to adapt and develop tournaments events and facilities that enable us to continue to be relevant for our stakeholders. This is ongoing and important part of the Club Future.
6) Continued implementation of the Finance Policy.	With Office personnel changes we have endeavored to meet the Westpac bank Terms and Conditions regarding signatories and updated required documents and passwords. Continued to meet financial accountability requirements.
7) Junior Team	WDSAC has continued to support a Junior team that participates in the Bay of Islands international Yellowtail Contest annually. Team members learn teamwork and develop light tackle fishing skills, and are required to participate in Club events during the year they are part of the team.
